

# PERFECT CUTTING® WHITE

## Characteristics

White Lycra® /Dyneem® knitted glove.  
White polyurethane coating on the palm and fingertips.  
Elastic wrist.  
Gauge 13.  
Length : 24 cm.

## Advantages

### Comfort

The knitting technique helps to obtain a glove that conforms snugly to the hand, with good dexterity. The glove offers maximum comfort and added sturdiness.

The cool Dyneema® touch gives an added sensation of comfort.  
The glove's ventilated back optimises its breathability.

### Resistance

The Dyneema®/lycra thread provides outstanding properties against cuts.

Polyurethane coating at the palm and fingertips for outstanding abrasion resistance.

Caution! Do not expose this glove to heat.

### Safety

Its white colour enhances its hygiene and cleanliness properties.
