## RQE 9607 A

### Characteristics

100% cotton terry glove.  
Straight thumb.  
Ecreu colour.  
Cuff of 15cm.  
Length: 36cm.

### Advantages

#### COMFORT

5-finger glove for a better grip on hot objects and added dexterity.

#### RESISTANCE

The cotton terry knitting provides good protection against mechanical and thermal hazards up to 250°C.

#### SAFETY

The cuff helps to protect a large part of the forearm.
