Overview

Reference Number

1007046

Product Type

Fall Protection

Range

Rescue Equipment

Brand

Miller by Honeywell

Brand formerly known as

MILLER

Industry

- Army - Defence
- Fire Protection brigades
- Homeland defense

Product Use

The Evac Body Splint can be used either vertically or horizontally.

It is flexible when laid flat but becomes rigid when wrapped around the casualty.

Supplied with a storage bag .

Features & Benefits

Feature

Fitted with foot supports, it can be lifted vertically. Can be stored in a compact bag and is easy to transport.

Benefit

Lightweight body splint ideal for confined space evacuation. Once wrapped around a casualty, it provides a rigid splint. Padded shoulder straps provide extra support and protection for the casualty.
